Who are We ?

We are a School Complex located in the city of Lubumbashi, Democratic Republic of Congo. Our school operates on two sites: No. 7/8 and No. 11 Boundy Avenue Kalubwe I district, town and city of Lubumbashi. Both sites are located 350m from each other

The first site has 40 classrooms with a capacity of 36 students per class. We have a total capacity of 1440 students, with 9 offices, 60 blocks of toilets, 1 computer room equipped with 40 computers for practice, 1 Laboratory of Physics and Chemistry, 1 canteen, 1 mixed basketball court. -ball and volleyball.

The second site hosts, since September 10, 2018, the sections Kindergarten and Primary. This building comprises a total of 100 premises: 25 rooms with offices, meeting rooms, 2 computer rooms with 30 seats (for Kindergarten and Primary), 1 canteen, 1 library. 75 premises receive classes, workshops for technical options: welding, electronics, hotels and restaurants, general mechanics and construction. The central court is a mixed basketball and volleyball court.

So our school has a total capacity of 4140 students.

In addition to the study options we offer, our teaching is also focused on capacity building in computer science and English. We have IT solutions that helps :

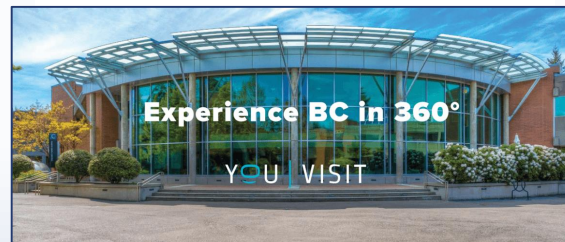

- Parents to get in touch with the school without having to constantly move or at school to easily get in touch with parents
- Parents, designated leaders or students themselves to enroll in a school year from where they are.

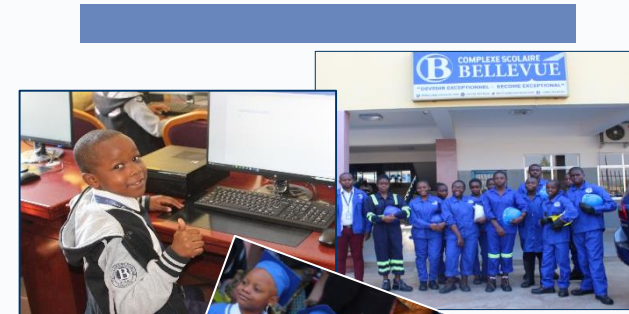

- Students and their parents to see the proclamation of academic results on our website.

We, Bellevue School Complex of Lubumbashi and The Bellevue College of Washington have agreed to promote international and cultural exchange for the benefit of both parties. Future activities of this partnership will include student transfer, faculty training and faculty exchange.

Since this year 2018, the CS BELLEVUE of Lubumbashi, after having sent 20 students of Secondary 5 and a Teacher on a study trip to Washington, will continue in the future this action and the best finalists will obtain Scholarships to go to study in universities in the United States.
